

March 21 & May 9

Spring Series in person

SIRC

science in the river city

DESIGNED FOR K-12 ELEMENTARY AND SCIENCE TEACHERS

Join us to...

- Deepen your understanding of science
- Access real world, culturally responsive lessons
- Learn insights from local teacher leaders
- Broaden your teaching perspective with real world, relevant topics

SIRC evenings include...

- a parking permit
- a networking dinner with local science resources
- a choice between a variety of new workshops designed for K-12 teachers
- an opportunity to win raffle prizes
- units available at an additional cost for attending all three evenings

Schedule

- 4:30-5:00pm: Check-in (dinner available)
- 5:00-6:00pm: Networking dinner
- 6:00-8:00pm: Science Workshops

**\$50 per
workshop
or \$95 for
both**

Tuesday, March 21, 2023
